FOUNDED | 1959

As we look forward to the 2025 holiday season, we wanted to look back and celebrate 65 years of taking care of people who take care of pets.

We've come a long way since 1959. Ryan's has moved from Wisconsin to Arizona, from a tiny warehouse to a big warehouse, which expanded to an even bigger warehouse. In 1988 the Ryan's retired and entrusted their business to the Goldfarb brothers, David and Warren.

When the Goldfarbs retired in 2018, Ryan's became part of the Nexus Brands family. As part of Nexus, we have been able to grow our selection of groomer beloved brands. We have expanded our educational opportunities with in-store events, blog and a partnership with Leading Edge Grooming Academy.

Recently we launched a new website with more intelligent search, faster site speed and our new Ryan's Rewards loyalty program. We are proud of how far we've come together and all the positive changes we've made. However, we're most proud of the ways we haven't changed. Our passion for the industry, our entrepreneurial spirit and our desire to take care of people who take care of pets will never change!

As a special thanks for 65 years of business we're offering you **10% OFF** your next order with code: **CELEBRATE65**. Celebrate your business, celebrate your employees, celebrate your family & furbabies, and celebrate yourself!

1959

Ryan's Pet Supplies was established by George and Donna Ryan in Wisconsin. The star feature of the business was their specially crafted dog food.

1980

George and Donna move Ryan's to sunny Phoenix, Arizona

1988

George and Donna Ryan retire and sell their business to brothers Dave and Warren Goldfarb. The Goldfarbs had run several businesses in NY and had recently moved their families to Arizona in search of sunshine and new business opportunities.

1990

Dave and Warren transform the business from a full line pet store distributor, to a supplier that caters to the needs of pet professionals and groomers.

1992

Ryan's sends its first grooming supply mailer to Arizona and California groomers, which includes pieces of their ribbon taped right to the mailer.

1994

The ribbon was so successful that Dave & Warren design their own special ribbon-printing machines - Ryan's has been designing and printing ribbon for groomers ever since!

1996

Ryan's Sharpening & Repair Services opens with the promise, "We Service What We Sell."

1998

The Goldfarbs move from their previous 4,000 sq. ft. building on 3411 S. Central Ave to the current 10,000 sq. ft. location on 1805 E. McDowell Road in Phoenix.

1998

Ryan's sends its first nationwide full-color catalog.

2000

To meet increasing nationwide demand, Ryan's purchases an additional 20,000 sq. ft. of warehouse space.

2018

After 30 years of building a highly successful business, Dave and Warren Goldfarb retire and sell the business to Nexus Brands Group.

2020

Groomers Speak Blog launches as a way to keep groomers connected and offer tips, education and support.

2024

Recently we launched a new website with more intelligent search, faster site speed and our new Ryan's Rewards loyalty program.

When this occurs we are happy to match that price. However, some restrictions apply: (1) The product in question must be identical (color, model, size, manufacturer, etc) to the item available at Ryan's Pet Supplies. (2) The product must be offered by a US company, like PetEdge, Groomers Choice, Groomers Pro, Groomers Mall, etc. We will not price match with companies based outside of the US. (3) Due to market volatility we regret that we can't price match Amazon, Chewy, or Ebay. (4) Price match is not combinable with other promotions or free gift offers. (5) Price match does not include applicable taxes or shipping.

If you have an item you would like price matched please call 800-525-7387 or email sales@ryanspet.com. Please include all pertinent product and competitive price information.
